50th Anniversary Greeting

2019 is very special for us as this is “the 50th anniversary of our founding” .

At first, by this letter, I would like to express you all my deepest appreciation.

Thank you again for your support during those years, nothing wouldn’ t be possible without you.

My father started this company in 1969. At the beginning, we were only manufacturing stools for dresser as an affiliated factory but we started to work on our own designs from 2000. Since then, we have been working on design development and manage to collaborate with Japanese and foreign designers.

With a heart of gratitude, all the employees of the company will continue to make further efforts to give you the best we can develop and produce. For the next 50 years, we will strive to create new products that can be loved by everyone.

We have formed a 50th anniversary project team within the company and they are actually planning to hold a commemorative event on July 8 and 9, 2020 at our factory in Japan.

In addition of that, we will also announce soon some masterpieces created with designers in a 50th Anniversary Limited Edition.

Detailed information will be posted on our website around the spring 2020. Please keep posted.

We really hope you can visit this event.

With my best and warms regards,

Masahiro Miyazaki
Representative Director and President
